EXPERIENCE

FUNVAL INTERNACIONAL

Oct 2023-Present

Frontend Developer Instructor

Santa Cruz, Bolivia

- Managed classes with an average of 15 students, fostering a motivating and dynamic learning environment while adapting to the unique needs of each group.
- Developed key skills such as rapid learning and proactivity by researching and updating course materials, ensuring students received up-to-date and relevant content on technologies like HTML, CSS, JavaScript, ReactJS, and NextJS.
- Created and implemented API demos to provide students with hands-on practice in real-world scenarios, enhancing their understanding of backend interactions and preparing them for professional challenges.
- Expanded course content to include backend development (PHP, NodeJS, Laravel), providing students with a comprehensive learning experience.

TESORIA R. D.

Ago 2023-Oct 2023

Full-Stack Web Developer - Freelancer

Santa Cruz, Bolivia

- Independently developed a robust full-stack web application using PHP, Laravel, and ReactJS.
- Implemented a comprehensive user management system, including user roles, permissions, and authentication.
- Enabled efficient service request handling and notification processes, improving operational efficiency.
- Ensured data security by implementing secure storage and access controls for confidential files.
- Delivered a high-quality, scalable, and maintainable web application within a tight deadline.

SOLUCIONES ANKERITE SRL.

Mar 2017-Mar 2023

IT Support

Santiago, Dominican Republic

- Optimized system performance by successfully installing and configuring various operating systems (Linux, Windows) and software applications.
- Resolved complex technical issues, including printer malfunctions and network connectivity problems, minimizing downtime and improving operational efficiency.
- Provided timely and effective technical support to multiple branch offices, enhancing user satisfaction and productivity.
- Streamlined technology procurement processes by managing equipment acquisition and generating accurate cost estimates.
- Contributed to the smooth operation of the company's financial systems by offering essential technical support.

ACHIEVEMENTS

- Employee of the year (2017, 2022) – Soluciones Ankerite.
